PROFESSIONAL SUMMARY

Performance-driven Digital Marketer with 4+ years of experience planning and running paid campaigns across Facebook, Google, and TikTok, alongside SEO and conversion-focused web design. Combines hands-on campaign management with the technical ability to build and optimize the websites and landing pages those campaigns drive traffic to — closing the loop between ad spend and on-site conversion.

WORK EXPERIENCE

Digital Marketing Instructor / Branch Manager

July 2024 – Present

Digital World Tech Academy — Lagos, Nigeria

- Deliver practical digital marketing training covering paid advertising, SEO, and analytics fundamentals.
- Manage day-to-day branch operations, overseeing staff and student activities.
- Monitor student progress and provide 1-on-1 mentorship to ensure job-readiness.

Freelance Digital Marketer & Web Developer

2021 – Present

Self-Employed — Lagos, Nigeria

- Planned and managed paid ad campaigns on Facebook, Google, and TikTok, optimizing targeting and budget allocation for client ROI.
- Designed and developed custom websites and landing pages optimized for conversion and SEO, including FOMGLOBAL KlinServices, where clear service pages and quote-request CTAs support lead generation.
- Built a full e-commerce solution for Device Care Consult (Ghana) using WordPress, WooCommerce, and Paystack, supporting online sales for a Ghana-based electronics business.
- Provided ongoing digital growth strategy consulting, SEO audits, and website performance optimization for client websites.

MARKETING & TECHNICAL SKILLS

Digital Marketing: Facebook Ads, Google Ads, TikTok Ads, SEO, Google Analytics, Conversion Rate Optimization

Design: Canva, Figma

Web: WordPress, WooCommerce, Elementor, HTML5, CSS3, JavaScript, React

Tools: Git, GitHub, VS Code

EDUCATION

Bachelor of Science in Education (B.Sc.Ed), Computer Science

Tai Solarin University of Education — Ogun State, Nigeria

CERTIFICATIONS

- Digital Marketing & Advertising — Practical Training
- WordPress Development & SEO Optimization — Digital World Tech Academy
- Web Development Certificate — GlobalTech Computer Institute

NOTABLE PROJECTS

FOMGLOBAL KlinServices — fomglobalklinservices.com

- Built a multi-page marketing website for a Lagos-based environmental and sanitation company covering waste management, fumigation, cleaning, and pest control services.
- Structured Home, About, Services, Gallery, and Contact pages with a service showcase, animated stats counters, and a client testimonial section to build trust with prospective clients.

- Added a WhatsApp click-to-chat button and prominent "Get A Quote" calls-to-action to shorten the path from visitor to lead.

Device Care Consult — devicecaregroup.com

- Full e-commerce store with WooCommerce & Paystack for a Ghana-based electronics business, including product catalog setup and payment integration.

Digital World Tech Academy Platform — digitalworldtech.academy

- Supported student-facing progress tracking features used daily by instructors and students.

Bidex Tech Portfolio — bidex.tech.vercel.app

- Personal portfolio built with HTML, CSS, JavaScript, and a custom WebGL matrix animation.
